Kinsmen District Bonspiel Won By Medicine Hat

Southern Alberta Kinsmen held their District 4 playoffs in Vulcan on Saturday and Sunday with rinks from the towns of Medicine Hat, Brooks, Lethbridge, Vauxhall, Claresholm and Vulcan represented.

After the double-knock out play-down it was the strong Medicine Hat foursome winning out over Brooks in the final. Vulcan Kinsmen's rink was composed of Mel Jordan, Vernal Haga, Ray Bagozzi and Don Houlton.

Saturday evening a banquet was held for the visiting Kinsmen and members of the local club in the Vulcan Hotel.

Kinsmen and wives enjoyed a hot dinner Sunday afternoon at the Vulcan Curling Rink before the visiting Kinsmen left for home.

The Vulcan Curling Club's Annual Men's Bonspiel is in full swing this week with an entry of 28 rinks. Towns represented are Milo, Lomond, Blackie, Mossleigh, Champion and Vulcan, with 17 local rinks. There are five events and the 'spiel will wind up Friday night.

John and Shirley Wolfe with Wendell and Mickey Wolfe of Calgary took in the Mixed Bonspiel at Banff on Feb. 10-11-12 and after winning five games in a row, they lost the final of the first event on an extra end.

Following this on Feb. 16-17, John and Shirley with Dan and Von Watson competed in the Southern Alberta Mixed Curling Playdowns at Red Deer and found the competition a little too tough as they lost two close games in a row to be eliminated.

The rink of Ted Percival, Dan Watson, Ken Hamilton and Vernal Haga, representing Vulcan area in the Massey-Ferguson Playoffs at Fort Macleod last week were unsuccessful in their bid for a trip to Toronto.

The south play-off was won by the Harold Smith rink of High River with Ted Seney, Doug Lindquist and Walt Wilderman of Blackie on the rink, and they continued their winning ways in the Southern Alberta Massey-Ferguson Playoff in Calgary immediately following Fort Macleod and won themselves a trip to Toronto to compete in the Dominion Curl-o-Rama finals.

The Vulcan rink of Neal Dumka, Bruce McKay, Bill Patton and Frank Fletcher won top honors at the Lomond Bonspiel winning the first event and tying for aggregate.

experience have taken him to various branches in his home province and in Alberta.

Previous to his Vulcan appointment he served three years at the West Edmonton branch. Before his city appointment he spent some time at Boyle, a town 92 miles north-east of Edmonton.

Mr. Kerr's wife Janet, 17-year-old daughter Margaret and 14-year-old Ian will remain at Edmonton until the completion of the school term at which time they will join Mr. Kerr at the bank residence here.

Blackie Bingo Raises \$900 For Expo Trip

(By Blackie Correspondent)
The Oddfellows and Rebekahs Lodges of Blackie sponsored a bingo to aid the students of Grades 9 to 12 in Blackie to attend Expo in May. All prizes were donated and it was held in the school to keep expenses to a minimum and slightly over \$900 was realized. The students and supervisors are most appreciative of the efforts of the lodges and the district response.

Plans are now well underway to fly by Pacific Western Airlines on May 16 and to stay for one week at the campsite set aside for high school students under Elmvale Expeditions Ltd. As well as attending Expo, a one-day bus trip to Ottawa is being considered where students will see parliament in session, and visit some of the historic spots of the capital.

Through Howard Graffey, M.P. for Brome Missisquoi it may be possible to visit rural Quebec where students will be entertained for the day by local French speaking students.

Because there will be extra seats on the chartered plane, some students will be accompanying the group from outside the Blackie School. Supervisors will be Don Tannas, principal and Mrs. Tannas, Colin McKenzie, Mrs. Dave Morrison and Mrs. Jim Ririe.

Donate \$50 To Centennial Celebration Here

The Good Deeds Women's Institute held its February meeting at the farm home of Mrs. George Dingwall where 11 members and two visitors gathered. Mrs. George Dingwall, president, opened the meeting. Correspondence was light, a thank-you card from Mrs. Bruce White and a notice from the restaurant committee.

Mrs. Bob Hutton reported on the centennial meeting and it was decided by the members to donate \$50 toward the general expenses of the May celebration being planned. The group will make a centennial quilt for the Unitarian Service and each member is to bring four completed blocks to the March meeting where they will be joined together. Mrs. Bob Hutton gave a demonstration on how to make these blocks.

Mrs. Mumby has requested supplies for the Vulcan Opportunity Classes, such materials as spools, thread, cards, pictures, etc. The members agreed to bring what they are able to collect to the next meeting.

Following adjournment of the business meeting Mrs. Bob Hutton read a most interesting report of the Provincial Conference recently held in Medicine Hat. The theme was, The Road Ahead. This was the first Institute Conference held in that city since 1928. Mrs. Hutton and Mrs. Dingwall were both impressed by the city's hospitality and fully enjoyed the two-day conference.

Mrs. Ernie Nobert won the tea raffle. The hostess, Mrs. George Dingwall, assisted by Mrs. Sam White and Mrs. Robina Hutton, served assorted sandwiches and delicious cakes.

Ray Speaker On Committee To Select Ombudsman

A committee of the legislature, consisting of Albert Ludwig, Edward Gerhart MLA, Roy Ellis MLA, Ray Speaker MLA, and Michael Maccagno MLA was established during the current session of the legislature to recommend to the Assembly a qualified individual for the appointment of Ombudsman.

The committee will be examining over 200 applications which have been submitted for the position. Applications have been received from all parts of Canada as well as Alberta.

The establishment of the Ombudsman position resulted from discussion in the assembly and was a recommendation of a special committee on administrative boards and tribunals which reported to the 1966 Legislature. During the present session of the legislature a bill will be introduced to establish the office of Provincial Ombudsman.

PHOTOGRAPHY PAYS. Last year Bill Outforth, who farms north of town, bought the first 1130 Massey Ferguson tractor in this area and equipped it with a full-vision cab, also a first. With the cab came the chance to enter a photography contest. The company with headquarters at Newton, Kansas was offering \$100 to the farmer in North America submitting the best photo of a tractor equipped with the full-vision cab. Bill took time to experiment with his camera and on Jan. 31, became winner of the money for his trouble. Above he is shown accepting his cheque from Al Morash, representative for Wheat Belt Farm Equipment, distributors of the cabs, while local Massey-Ferguson dealer John Ksenych looks on.

Vote 78 to 38

Lomond Ratepayers Vote In Favor Of Recreation Bylaw

Resident proprietary electors of the proposed Lomond recreation area (Division 6 of the County of Vulcan) last Saturday approved by a vote of 78 to 38 a County of Vulcan bylaw calling for the establishment of a recreation area in electoral division 6 of the County and the authorizing of an agreement between the County and the Village of Lomond for joint recreation programs and a joint recreation board. Only a simple majority was needed for approval of the bylaw.

A similar bylaw to establish a recreation area in the Milo district will likely receive third and final reading at the next meeting of the County Council. No petition asking for a vote on this bylaw was received.

Both bylaws call for the levying of a special tax of one mill in the recreation areas and the villages concerned will levy a one mill tax on their own ratepayers for recreation purposes.

In each case, the recreation board to be formed will consist

of seven members, four to be appointed by the County and three to be appointed by the village.

Funds raised by means of the special recreation tax are used to provide recreation services in the communities concerned and to help support such recreation services as already exist.

Kuykendall opened the meeting. She was assisted by secretary, Mrs. John French and the treasurer's report was given by Mrs. Love.

Routine business matters were dealt with and plans were made to cater to the Ohler auction sale, April 1. Mrs. French, who had accompanied Mrs. Deal to the recent WI Conference at Medicine Hat gave a report of the conference. Birthday gifts were presented to Mrs. Healy, Mrs. Love and Mrs. Myers.

After the business session the meeting was turned over to Mrs. Deal who conducted two contests. To conclude the afternoon's program a delicious lunch was served by the hostess. The next meeting will be held March 14, at the home of Mrs. McRoberts, rather than the regular date.

Hockey News

In 20-years-and-under hockey at Vulcan last week, the Vulcan team defeated Champion by a 13-7 score.

Point getters for Vulcan were Terry Tiffin with one goal and two assists, L. Lebsack, 1 and 1; A. Lebsack, 2 assists; J. King, 1 goal; D. Dumka, 2 and 2; D. Lowrey, 4 and 1; R. Ness, 3 and 2; H. Gillis, 1 goal.

Training Pays Off For Elks

Although many are showing signs of advanced age there are athletes among the local Elks Lodge members yet.

Last Sunday afternoon 14 stalwarts took on the Stavelly Lodge team on foreign ice and whopped them 2-1, in a challenge broomball match. Up for grabs was the Bill Murdoch Challenge Shield which can be competed for in any sport except curling for which there is already a national Elks play-off.

Although Past Exalted Ruler Earl Galloway didn't mention this as he accepted the shield from Pete Burger, Exalted Ruler of the Stavelly Lodge, the local boys have been practicing secretly all winter and were in iron-hard condition

for the surprise challenge they pulled on their neighbors.

Swede Robertson, out earlier with torn back muscles, never did round into shape and coach Dave Lebsack and team adviser Galloway shoved him into goal where he was a good comfortable fit between the pipes.

Goal scorers were Lavern Granlin and Ron Gorzitz. Ron's goal was on one of those end to end rushes and as he poured through the Stavelly defence the netminder flipped his fez forward on his head in excitement, dropping the tassels over his face making him temporarily cross-eyed and at the mercy of the local star.

The Murdoch shield is a brain-

child of Bill Murdoch of Crossfield lodge and now the Vulcan gang are hearing rumors a Claresholm crew is waiting for the snow to go so they can put together a polo team with which to talk business later in the summer.

At Stavelly and first in line for the lunch and refreshments which followed the game were Dave Lebsack, Swede Robertson, Ed Nolte, Irwin Brown, Bill Knapp, Bob Gerding, Carl Nelson, Lavern Granlin, Fred Fleming, John Graham, Art Fisher, Ron Fisher, Bill Hilz and Ron Gorzitz.

On the serious side, Elks next regular meeting, Feb. 28, will feature an initiation of new members and visit by the DDGER.

IN CURL-O-RAMA. The above rink of skip Ted Percival, centre; Dan Watson, left, third; Vernal Haga, right, lead and Ken Hamilton, second, above, won the Vulcan area playdown in the Massey-Ferguson Curl-o-Rama on Feb. 7. They beat out the Blaine Middleton rink with Evan Munro, Lloyd

Graham and Cy Rebalkin and went on to Fort Macleod on Feb. 13 and 14 where they were victims of first draw soft ice and the Blackie rink of Harold Smith, Ted Seney, Doug Lindquist and Walter Wilderman who represented the High River area. The Blackie foursome went on to the Alberta play-

offs at Calgary and were winners. They now are awaiting an all-expense trip including wives and High River dealer, to Toronto in March for the final round of play. John Ksenych is local Massey-Ferguson dealer and was the local rink's strongest supporter in their

Teachers

(Guest Editorial)

Teaching is a profession and teachers are well educated, professional people who are interested in young people. Their efforts are directed towards having their students learn and take their places in the community and society. Whether they are, in the lower grades, promoting the habits of punctuality, effort, neatness, paying attention, or whether they are, in the higher grades, promoting the formation of attitudes in the appreciation of beauty, the need for an inquiring mind, an appreciation of fairness in dealings with others, or a liking for study and knowledge, they are intimately bound up with the everyday lives of their students. They accomplish these tasks through the presentation of lessons in a variety of subjects and topics during the school day.

In spite of the opinions of some students and parents, teachers are not trying to fail any students or force them from school. Much as they would like to have every student pass, they realize, as did the School Committee and the Superintendent when they implemented the recent Laggard Policy for County Schools, that many youngsters fail because of lack of effort, absenteeism, inability to cope with the standard of work, or a variety of other reasons. Too often, however, we have set the teaching staff on a pedestal; forgotten that they are human and have likes and dislikes; that they are sometimes irritable and impatient; that classes of children eight periods a day for a week occasionally makes them weary and discouraged. Teachers are usually reasonable and usually willing to help if they understand the situation. Students have a responsibility to earn their teacher's respect and the right to extra help by trying their best. Teachers are needed to help students get a good start on the road to life. Work with them instead of against them — it is in the best interests of students, parents and teachers.

LETTER TO EDITOR

February 3, 1967
Editor, The Advocate.

Dear Sir:

Enclosed please find a money order of \$4.00 for my renewal of the Advocate.

Have not missed getting one issue of your paper which comes regularly on Saturday, a.m., except odd times when it comes Monday.

I find the Advocate very interesting, having lived at Queens-town many years from 1907-1924 when my parents Mr. and Mrs. Norman G. Hall homesteaded there and I lived there at home with them.

The sign at the entrance last week was so interesting and I had no idea there were so many people and grain elevators, having last been in Vulcan in 1925.

You may be sure I look forward to receiving the paper each Saturday and reading of old friends there as well as the editorials—all of it. And thank you.

Sincerely,

Eva Willan.

— AUDITOR'S NOTE —

I have examined the balance sheet of the Vulcan Municipal Hospital District No. 19 as at 31 December 1966, the statement of revenue fund income and the statement of revenue fund expense for the year ended on that date, and the supporting statements including the supplementary detail of earnings from services to patients, the supplementary details of revenue fund expense, and the statement of revenue fund balance. My examination included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheets and statement of income, expense and surplus present fairly the financial position of the hospital as at 31 December 1966 and the results of its financial operations for the year ended on that date, as determined in accordance with generally accepted accounting principles.
